# Sending PDF through Genie

You will need to have Ghostscript and a PostScript Printer installed for the following process to work. If you are unsure, please contact Genie (1300 889 362)

### Setting up the address book

- 1. Search for the provider in the Genie Address Book.
- 2. Change to the Correspondence tab.
- 3. Tick the Include PDF in letters checkbox.

👔 Address Book
Litter & MMB W Cord Ser

#### Genie Address Book

This will need to be ticked in every provider they wish to send PDF to.

## Setting up the patient file

- 1. Search up the patient in the Genie patient database.
- 2. Click on the Image Browser icon to open it up.
